Re: MUR 5266

Dear Ms. Smith:

First let me thank you for the time you spent on the telephone with me last week discussing not only the status of the above-referenced MUR but also the manner in which we could provide additional information to the commission with respect to the loan which is the subject of the MUR

On behalf of Respondent Second National Bank of Warren, we would like to add to the Answer which was dated May 24, 2002 and received in your offices on May 28<sup>th</sup>. We add the following information

1. The loan which is the subject of the alleged violation contained in the Complaint, has been completely repaid as of June 28, 2002. Additionally, the loan was prior to that date paid down in regular and sizeable increments and completely paid off on that date.

2. No other loan has been or will be made to Senator Ryan's campaign for congress or to anyone else's campaign for congress

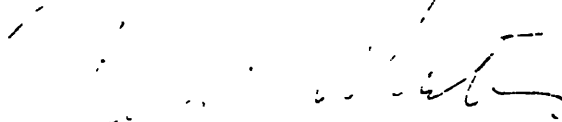

3. We and Respondent stand fully behind our Answer of May 24, 2002
